

Delivering Technology with Integrity, Accessibility, and Innovation

About Us

Dekla Inc. is a Delaware S-Corporation technology services firm (est. 2019) providing Business Applications and ERP, Cybersecurity, Analytics and Data Governance, and Program Management. Led by an executive with 30+ years of enterprise experience, Dekla combines commercial agility with proven delivery frameworks to support federal, state, and local missions. Minority- and disability-owned small business; Section 508 committed.

COMPETENCIES

- **Business Applications & ERP:** Implementation, integration, and optimization of SAP, Oracle (Cloud & PeopleSoft), Microsoft Dynamics, and Warehouse Management Systems; data migration and process automation.
- **Cybersecurity & Information Assurance:** CMMC 2.0, FISMA, and NIST RMF/SP 800-53-aligned assessments; Zero Trust and IAM; SOC/SIEM/SOAR build-out; OT/ICS protection for energy and microgrid assets (NIST SP 800-82, IEC 62443).
- **Analytics, BI & Data Governance:** Enterprise data warehousing, Power BI dashboards, predictive modeling, and governance frameworks.
- **Program & Project Management:** PMO setup, program governance, Agile delivery, and EVMS.
- **Cloud & Infrastructure:** Secure Azure and AWS architecture and migration with policy-as-code landing zones; DevSecOps pipelines with embedded scanning and signed artifacts; containerized and edge deployments; Day-2 operations.

Differentiators

- **Executive Leadership:** Founder with senior leadership roles at Deloitte, PwC, Advance Publications, and Medifast, guiding multi-million-dollar enterprise IT portfolios and global programs from strategy through delivery.
- **Disciplined Delivery:** Multi-year Oracle Cloud and PeopleSoft programs delivered on time and under budget; employee attrition below 1% across teams led by the founder
- **Accessibility Leadership:** Disability-owned small business advancing Section 508 compliance and workforce opportunities for visually impaired professionals.
- **Certified Workforce:** Scalable network of consultants holding PMP®, CISSP®, CSM®, and leading ERP vendor certifications.
- **Mission-Critical Public-Sector Delivery:** Consultants delivered national (DOE/ORNL) and statewide (Virginia DMV) platforms where uptime, data integrity, and auditability are essential.

Past Performance

- **DOE / Oak Ridge National Laboratory (EAGLE-I):** Delivered a national energy outage situational awareness platform supporting infrastructure resilience.
- **Commonwealth of Virginia DMV:** Delivered the Traffic Records Electronic Data System (TREDS), a statewide crash and traffic safety intelligence platform.
- **Global Enterprise Applications Modernization (Commercial):** Delivered 10+ multi-year, full-lifecycle HCM, Finance, and CRM implementations serving workforces of up to 200,000 employees. Directed international teams of 50+ professionals with disciplined program governance, risk management, and change management.
- **Warehouse Management System (Commercial):** Led full-lifecycle WMS deployment across distribution centers, improving warehouse efficiency 30% and order-picking speed 25%.
- **Enterprise Data Warehousing and Systems Integration (Commercial):** Data Strategy and Implementation of Global Data Warehouse and securely integrated ERP, WMS, and OMS platforms across 25+ markets for real-time data transfer.
